To Our Vendors:

The health and wellness of our residents is our number one priority.

Based on CDC guidance to prevent the spread of illness, vendors will not be permitted into our campus at this time for the safety of our residents.

Deliveries will be accepted in specified loading zones only. We appreciate a phone call in advance, if possible, in order to receive the delivery and sign for receipt.

Oxygen fills will require advance notice so that tanks can be available at the loading zone for access to fill.

Please visit our web site www.shepherdofthevalley.com for further information and regular updates.

Contact us directly if you have any questions or concerns.
